STAT
MEMORANDUM FOR: ASDGC/ALD&MS, Office of General Counsel
Director of Security
FROM: [redacted] Legislation Division
Office of Congressional Affairs
SUBJECT: Guard Force Authority
REFERENCE: Letter from D/OCA to Chairman, HPSCI dated 4 June 1986
Re Guard Force Deployment

1. The HPSCI staff has reviewed the referenced letter notifying Chairman Hamilton of the deployment of the Security Protective Force to additional Agency facilities, and the Security Protective Service (SPS) Operational Manual that accompanied the referenced letter. The HPSCI staff has several areas of concern regarding the Agency guard force and has requested that the Agency provide a briefing to be held on 20 June. Attached is a letter from the staff indicating the areas they wish Agency representatives to address.

2. It is requested that you review the attached document and have appropriate officials ready to answer the issues raised in the HPSCI letter. Because both legal and policy issues are raised by the HPSCI staff, I believe it will be necessary for OGC and OS officials to work closely together in answering the HPSCI concerns. Please let me know as soon as possible whether the answers to the HPSCI questions can be prepared by 20 June.
